

Chapter 3 Learning Objectives

1. Discuss the roles, obligations, and rights of colonial women.
2. Explain how conditions in the northern colonies eroded European concepts of social rank and fostered social mobility.
3. Account for the similarities and differences in development between the New England and Chesapeake colonies.
4. Discuss the reasons for the growth of slavery and the slave trade in the English colonies of North America.
5. Explain the historical significance of colonial uprisings in the seventeenth century.
